

Amendment(s) to the Drawings:

The attached sheets of drawings includes changes to Figs. 2 and 3. These sheets, which include Figs. 2 and 3 replace the original sheets including Figs. 2 and 3.

Attachment: Replacement Sheet (2 Sheets)

REMARKS/ARGUMENTS

Applicants filed an Amendment on January 19, 2012 that included two replacement sheets for previously informal drawings. That Amendment was considered non-compliant because the replacement drawings were not identified in the top margins as "Replacement Sheets." Replacement sheets for FIG. 2 and FIG. 3 are resubmitted herewith, and have been labeled as "Replacement Sheets" in the top margins as requested.

Again, the original sheets for FIG. 2 and FIG. 3 were informal drawings. The replacement sheets are simply formal drawings of the same figures, therefore no new matter is added.

CONCLUSION

In view of the foregoing, Applicants believe all claims now pending in this Application are in condition for allowance and an action to that end is respectfully requested.

Further, the Commissioner is hereby authorized to charge any additional fees or credit any overpayment in connection with this paper to Deposit Account No. 20-1430.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 303-571-4000.

Respectfully submitted,
